

**INFORMATION SHEET FOR**  
**MOBILITY EXCHANGE STUDENTS AND INTERNATIONAL COORDINATORS**  
**ESCUELA POLITÉCNICA SUPERIOR - UNIVERSIDAD DE ZARAGOZA (E ZARAGOZ01)**

As the Deputy Director for International Affairs at the “Escuela Politécnica Superior (EPS)” of Huesca – University of Zaragoza (UZ), I would like to invite your students and staff to come to the EPS, within a MOBILITY program.

UZ is located in Aragon, a region in the northeast of Spain, which is close to the Pyrenees, the natural border with France. The EPS is located in Huesca, the second-largest city in Aragon (more than 50000 inhabitants), very close (ca. 70 Km) to Zaragoza city (more than 700000 inhabitants) (<http://eps.unizar.es/en/find-us>).

UZ was founded in 1542 and nowadays it has approximately 33600 students and 4300 professors/researchers.

Our University is characterized, among other appealing attributes such as its friendly people, personalized SERVICES and excellent FACILITIES, by a great RESEARCH reputation and a high-quality EDUCATION. Indeed, our university is ranked among the **top 500 universities in the world** (Academic Ranking of World Universities 2020).

Let me highlight herein, the **eminent position in several rankings of our university in the area of Agriculture and Environmental Science:**

- Agriculture & Forestry: 101-150 in the world (QS WORLD UNIVERSITY RANKINGS-2021)
- Agriculture Sciences: 301-400 in the world (ACADEMIC RANKING OF WORLD UNIVERSITIES (Shanghai ranking)-2021)
- Environmental Sciences and Engineering: 401-500 in the world (ACADEMIC RANKING OF WORLD UNIVERSITIES (Shanghai ranking)-2020)

Intriguingly, in the field of Environmental Science, there are many opportunities to be explored in our county. From the subdesert areas of “Los Monegros” up to the peaks of the Pyrenees mountain range, this amazing region represents an excellent natural laboratory just on the border of the Atlantic and Mediterranean climates and flora regions, for learning about the environment and studying solutions for its conservation and sustainable management.

Please visit the following link, where some **research lines** of our faculty and researchers are described (<https://eps.unizar.es/investigacion>). It may be a great opportunity for students interested in doing their Bachelor's or Master's thesis abroad (<https://eps.unizar.es/en/internships>).
